# *Cody Hotline School*

## **Training School Dates: June 6<sup>th</sup> through June 9<sup>th</sup>, 2011**

The 2011 Cody Hotline School will be held on June 6<sup>th</sup> through June 9<sup>th</sup>, 2011 in Cody, Wyoming at the Lineman Training Field. Please refer to the attached map for directions on how to reach the field. Classroom training will be held at Holiday Inn, which is located at 1701 Sheridan Ave. The school is set up so that enrollees can travel to the school on Sunday, June 5<sup>th</sup>, 2011 and return home on Friday, June 10<sup>th</sup>, 2011. Please plan your travel so that you may stay for the entire 4 days of training. Instructors will have a post school dinner meeting Thursday evening at 6:30 PM to evaluate the session and make plans for next year.

The Cody Hotline School steering committee has made some changes to the format for the 2011 School in response to suggestions and comments received from the 2010 attendees. The first day of the school will be classroom training, with the following three days being dedicated to fieldwork. More time will be allotted for field training problems to insure that all attendees have time for hands on training.

## **Training Field Regulations and Requirements**

*The primary goal of this school is to promote safe working habits for utility line workers. Safety can only be achieved by adherence to the following rules and regulations governing the training field and its use by all participants. The OSHA Safety Rules and Regulations have been adopted for the Cody Lineman Training School and all attendees are required to comply with these safety rules and regulations.*

1. Students will provide and use their own tools, including personal protective equipment.
2. Students will have suitable, OSHA approved eye protection.
3. Hard hats will be worn by all persons present, including visitors.
4. Students and instructors will be required to wear long-sleeved shirts and boots while working on any structure of apparatus. This is to include such items as transformers, circuit breakers, switch cabinets and any other electrical apparatus. The term 'structure' is to include all poles, towers, platforms and substation equipment.
5. Two first aid kits will be provided by the school and will be located on the training field at all times.
6. Climbers or hooks will not be worn on the ground.
7. Gaff guards will be used when climbers are not in use.
8. Each person participating in the school will pay strict attention to all instruction and will refrain from idle talk, jokes and other distracting activities.
9. All students will remain to their assigned crew.
10. Rubber gloves will be worn, ground to ground on all structures, with the exception of transmission work 33 kV or above.
11. Rubber gloves and sleeves will be worn during all gloving procedures.
12. All aerial devices and digger derricks will be grounded.
13. Full body harnesses will be worn by persons in bucket trucks.
14. All conductors will be in constant control at all times while off the insulation

### **Training Field Regulations and Requirements** (cont'd)

15. There will be no other work performed on the structure, or adjacent structure, while hot line work is being performed on any given structure.
16. While ascending or descending a pole, there will only be one person moving at a time. Other persons will remain belted off.
17. At the end of each session, participants of the group will help the instructor stow the gear used in that session.
18. Only authorized vehicles will be permitted in the training area.
19. Only approved footwear will be worn by students and instructors.
20. Alcohol will not be allowed on school premises, nor consumed during school hours.
21. Enforcement of the rules and regulations will be the responsibility of the coordinators, instructors and school officials.
22. All participants and visitors will respect the rules and regulations and the property of the school. Any infraction will be cause for dismissal by school authorities or instructors. The participating utility will be notified immediately if a student is dismissed from the program.
23. The City of Cody and Wyoming REA assumes no responsibility of the participants, nor will the City of Cody and Wyoming REA be liable in case of accidents.

### **Accommodations**

**Make your Motel reservations early; Cody Hotline School is during Cody's highest tourist season. A block of rooms is reserved at the Holiday Inn, reservation must be made before May 6<sup>th</sup>, 2011. For the block rate attendees need to use "CHL-ZOD" for the Holiday Inn, toll free # 1-800-527-5544; ext 635 or 637, and CHL for Comfort Inn, toll free # 1-800-527-544; ext 400. This rate is not available through the national chain toll free numbers.**

**Rates are: Single & Double, \$119, Flat Rate 1 to 4 persons for either motel.**
