MEETINGS

Annual Meeting: June 26, 2025

Lower Valley Energy Office, 236 N. Washington St, Afton, WY

Board of Directors meets last Thursday of alternate months.

Our focus is meeting your needs. Poles, piling and ties at more locations throughout North America.

Stella-Jones Corporation has been supplying poles for close to a century. We're happy to say our customers are relying on us more than ever. Treated wood continues to be the most reliable product for the job.

To make this happen, the Stella-Jones Corporation is committed to the kind of growth and innovation that we are known for. With state-of-the-art advancements in wildfire resistant pole wrapping materials, our product offering continues to grow to meet your needs.

A large, vertical image occupies the upper half of the page. It shows the silhouette of a cowboy wearing a hat and riding a horse away from the viewer. They are on a dirt road that stretches into the distance. The background is a bright, hazy sunset or sunrise, with the sun low on the horizon, creating a strong backlight effect. The sky is a mix of orange, yellow, and light blue. The road is dark, and the horse's tail is visible. The overall mood is peaceful and evokes a sense of rural life.

YOUR VOICE CAN MAKE A DIFFERENCE

We educate policymakers on the key role our co-ops play in the future of rural America through Voices for Cooperative Power.

Get involved at wyomingrea.org/get-involved.
